

### 2021 MTA Repairer Charge-out Rate and WoF Fee Survey.

**Please take the time to complete this survey ASAP!**

Data gathered enables MTA to collate retail charge-out rates and WoF inspection fees being charged around the country and enables members to benchmark themselves against other businesses. If they get enough data they will look at producing a specific Auto Electrical results booklet.

The survey only takes a couple of minutes to complete and will run for two weeks. The results will be made available in the MTA Toolbox and we will share them to our members.

- It's free
- Confidential
- A useful benchmark tool

You can complete the survey here:

**EVENT POSTPONED**

The 2021 NZAE Road Show in Auckland had to be postponed.

There was a lot of organising went into this event. Thank you to the Board members and to those who planned to attend.

We will begin planning this event again in the New Year. If you live outside the Auckland region and are interested in receiving the Roadshow information please let us know.

**AGM & Board Elections will now be held in early November. This will most likely be held via ZOOM and will be open to all NZAE members to join in. More details to come.**

**ARE YOU INTERESTED in becoming, or electing a Board member??**

**Have a say and be part of group who is passionate about making a difference in this rapidly changing industry. Board meetings are normally held once-a-month. Please contact us for more information.**

### **Below is a list of NZAE Board Members and their contacts:**

Bruce Strang	Bruce.Strang@hcb.co.nz	021 950 212
Greg Lewis	glewis10a@gmail.com	027 491 4140
Jason Land	jason@collinsauto.co.nz	027 445 2635
Robert Newlands	Robert@newlands.net.nz	027 208 7555 <i>Chairman</i>
Brendan Thompson	brendan@aewestcity.co.nz	027 498 5813
Stu Stanners	stu.stanners@cyb.co.nz	027 468 6617
Lionel Rowe	lionel.aetech@gmail.com	027 445 6337 <i>Board Member &amp; Administrator</i>
John Henderson	ravenstone.consulting@gmail.com	027 493 9942

## FEEDBACK participants sought

### **Are you or a member of staff keen to supply 'hands-on feedback'?**

From time-to-time NZAE is asked to help review industry initiatives including Qualifications and Unit Standards for apprenticeship training. As part of this we are creating a 'Sector Feedback Panel' made up of those in the industry who are directly involved with customers, staff and apprentices.

This panel will be valuable as a 'sounding board' to help review and advise for external projects as well as those NZAE will plan going forward.

For more information please contact Lionel Rowe directly: [lionel.aetech@gmail.com](mailto:lionel.aetech@gmail.com) 027 445 6337

## POTENTIAL apprentices contact

### **We are looking for contact ideas to help us communicate directly with potential apprentices.**

Perhaps you know a contact that would help us link with High School Careers Advisors - nationwide if possible? The link below is a brochure that's ready for printing and distribution to target this group. This is an example of something we need to get it in the right hands/places.
